The Air North Difference

Fair Fares, Flexible Options

Enjoy affordable fares that never compromise on comfort, service, or quality. With transparent pricing and our flexible Optimum fares, you'll benefit from reduced cancellation and change fees, complimentary seat selection, and no surprises along the way.

Affordable Connectors

Travel seamlessly with budget-friendly Connector Fares starting at just \$99 for one-way flights between Whitehorse and major Canadian cities like Vancouver, Calgary, and Edmonton. Perfect for travellers connecting beyond our network and planning early.¹

In-flight Delights

Savour complimentary snacks and meals freshly prepared by our Flight Kitchen. From warm cookies to decadent cheesecake, our treats are sure to make your journey even sweeter.²

Pack More, Stress Less

All fares include two free carry-ons and two checked bags—skis and snowboards too! Baggage transfer agreements with Air Canada and WestJet ensure seamless same-day connections to your destination.³

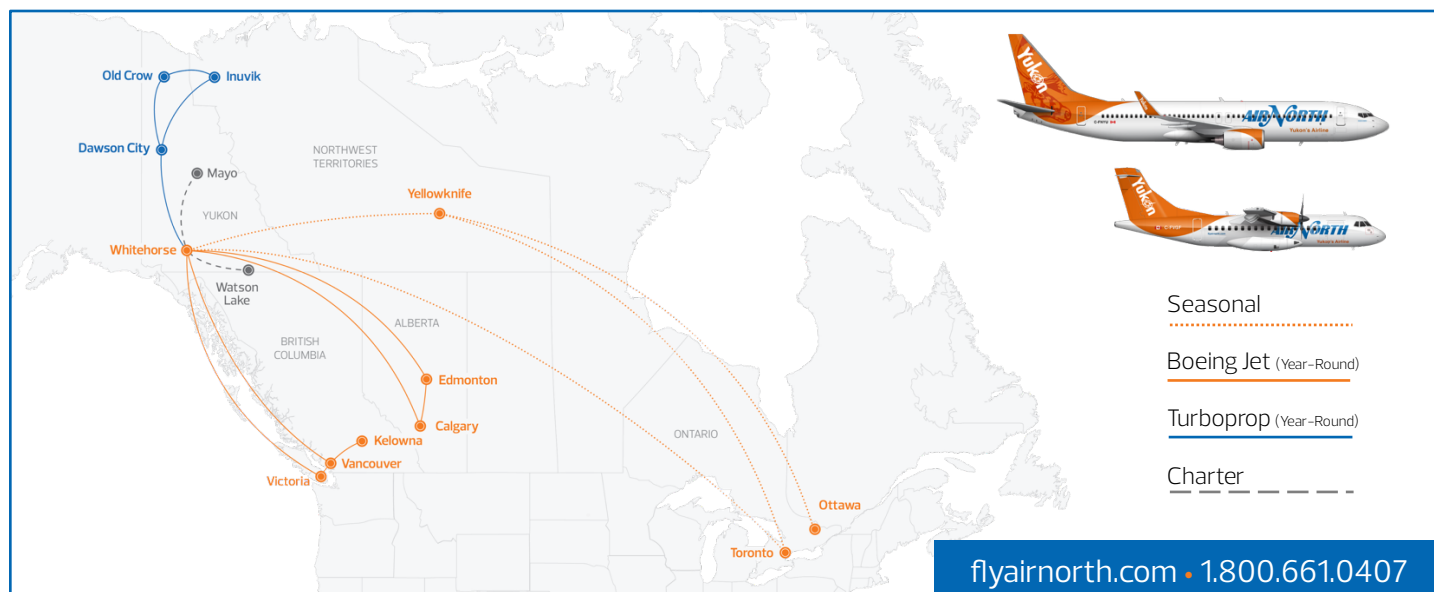

Reliable Schedules

Air North's reliable schedules and commitment to punctuality ensure you reach your destination on time, even in the North's toughest conditions.

Home Before Home

Experience the natural warmth and friendliness of the North. Our crew is dedicated to delivering a personal touch on every journey, embodying genuine care and the renowned hospitality of the Yukon.

Our Network⁴

¹Proof of a domestic or international connecting flight via the same gateway city is required to book. The connecting flight must be within three days of the Air North flight. Connector Fares cannot be combined with other promotions or discounts, are non-refundable after 24 hours, and may be changed or canceled up to two hours before departure for a fee, plus fare differences. ² Complimentary snacks and meals are served on most flights, excluding those under approximately 45 minutes. Special dietary requests require at least 24 hours' notice. ³ Fees may apply to oversized, overweight, or additional baggage. Skis and snowboards are exempt from these fees if within size limits. A minimum connection time of 120 minutes is required between Air North and Air Canada flights. Baggage allowances and fees from the first carrier apply through to the final destination. ⁴ Routes, schedules, and destinations are subject to change without notice and may vary by season.
