The Air North EXPERIENCE

More Than a Fare

With transparent pricing and heartfelt service, our fare options provide clarity and choice — always with no hidden fees and great value. We deliver comfort, care, and the renowned hospitality of the North that makes every journey feel like coming home.

Group Travel, Tours and Conventions

Planning for 10 or more? Our dedicated team streamlines the process with flexible terms, custom promo codes, and tailored support, perfect for leisure, business, or special events.

Connector Fares¹

Fly between Whitehorse or Yellowknife and major Canadian cities (like Vancouver, Calgary, and more) with one-way Connector Fares starting at just \$99. Ideal for early planners and travellers extending beyond our network.

In-flight Delights²

Savour complimentary culinary creations crafted by our Red Seal Chef—led Flight Kitchen. From our signature warm cookies and decadent cheesecakes to gourmet entrées inspired by Yukon flavours, every bite celebrates the region's culinary excellence, turning your journey into a taste of the North.

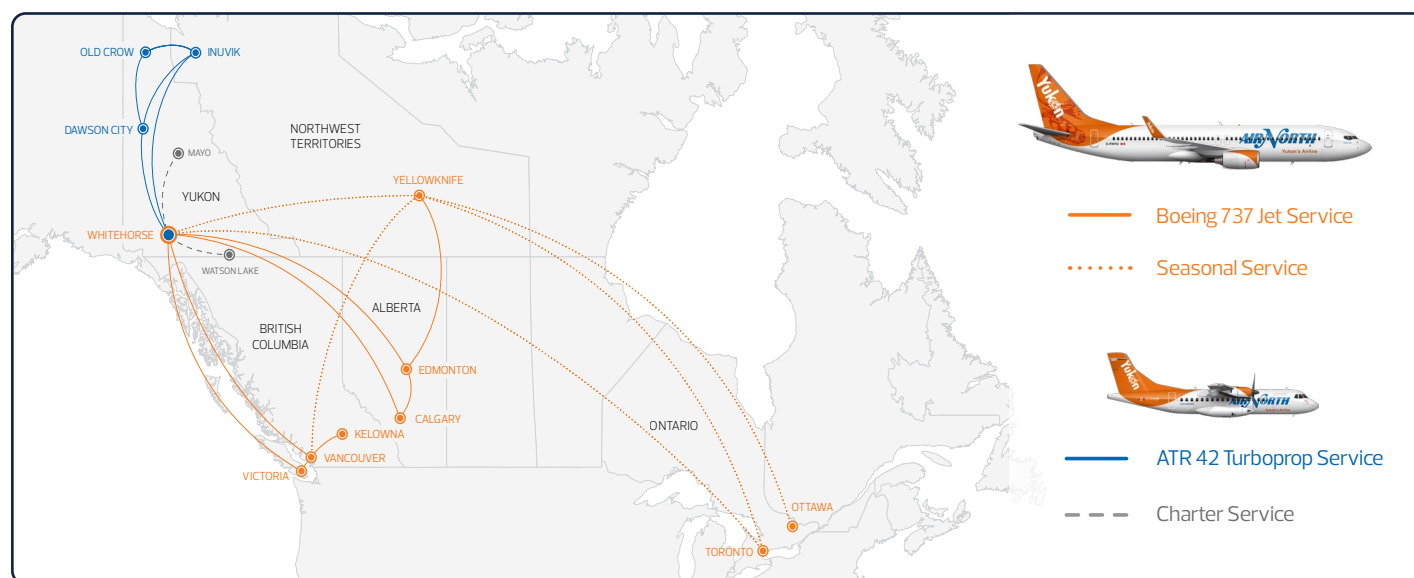

Pack More, Stress Less³

Every fare includes one carry-on, a personal item, and two checked bags—skis and snowboards too! With seamless baggage transfers through our interline partners, your luggage stays on track, even during same-day connections.

Built for Business

An Air North Corporate Account delivers predictable pricing, flexible booking, priority service, online reporting, and additional onboard benefits designed to support your business travel needs.
